My heart goes out to you at the loss of your father. I enjoyed knowing him and your beautiful Mother in Boulder 2nd ward. His stories in the talks he gave have stayed with me over the years. He was a great example of a committed member of the church. May you feel peace and comfort with your many memories of him.

Our condolences do you uncle Bill's family at his recent passing! He was a blessing to each one of us and a great example of devotion to his precious wife and children and grandchildren!
