

William Kay Bassett

December 4, 1926 ~ February 6, 2025

To Kathy, Bob, Kris, and especially John - I'm so sorry for your loss, and I'm grateful that Bill and Helen were a big part of my childhood. It was Bill who I aspired to emulate in my career- which also took me around the world. I wish I could be there this week to grieve with you. Please know I am there in spirit.

- Chuck "Charlie" Askew

Brother (and Sister) Bassett were well loved primary and youth teachers at church here in Granite. Lots of love to your family
