

William Lynn Nixon

September 13, 1934 ~ May 20, 2022

Dear Carol and Family: It is with great regret that we are out-of-State and cannot be with you at this tender time of Bill's passing. Please know of our great love for you all. Bill is and was one of the "noble and great ones," and we were lifted and blessed to know him. I was touched to learn of the wonderful scriptural "touchstone" for life's decision making etched on his gavel from the O.T.--one of my favorites. To love "do justly" and "love mercy" seem to summarize Bill's life--he could always be counted to be on the "Lord's side." In a small way, we share your loss. Please know of our love and our prayers for your comfort and solace (in God's grace) as you remember a great life he shared with you all. Love ya, Roger & Karen Cutler

We have lost one of the best dudes on planet earth! I have had the privilege of working with Bill at the U.S. Attorney's Office and the Immigration Court can attest to his immense goodness, intellect, wonderful humor, kindness and decency. I count the opportunity to work alongside him as one of the best gifts of my life. Myself, Tara and my children are heartbroken to learn of his passing, but the memories are golden, fresh and everlasting. Thank you, Bill, for being the wonderful person that you are.

Dear Carol and Family: I love Bill. Please accept my humble offer of condolences for the loss of your husband, father, grandfather, and great grandfather. My faith shows me that your separation is only temporary, yet I am deeply aware of what it means to lose the companionship, leadership, and cherished love of such a great and good husband and family man. I'm grateful for the friendship Bill and I developed as colleagues at the Salt Lake City Immigration Court. I count it a lovely blessing to have known both Bill and Carol. You are both such extraordinarily gracious, kind, and wonderful people, and I have greatly enjoyed and loved your combined influence in my life. Bill and Carol, you both have lived in such harmony with each other that I find it completely impossible to write about one of you without referring to the other. Carol and family, I know in my heart that Bill is now warmly and lovingly received in the spirit realm by the Lord and all of those on the other side of the veil who know and love him. Both Tamara and I send our love and warmest regards.

Dear Carol and family- I was so sorry to hear about Bill's passing. I genuinely loved Bill. He was a great and loyal friend. He was a legend in the United States Attorney's Office, and beloved by all of us, as well as those at the Federal District Court. I was always proud to call him my friend, and I was especially proud to be able to say I was the one who hired Bill! He was a fine lawyer and judge, but more importantly he was an outstanding person in every way. He was a friend to all. I knew I could always count on Bill regardless of the task I assigned to him. I was especially pleased to find out years ago that Carol's parents had been such good friends of my parents. It is a connection that will always link our families. Please know of our love for you at this tender time. You are in our thoughts and Prayers. With much love, Paul Warner

Dear Entire Nixon Family, This is Jonathan Groberg Neeley. I am the youngest son of Maude Elizabeth Groberg Neeley. On behalf of all of my brothers and sisters, we express to you our sincerest and heartfelt condolences at the passing of Bill. Oh, how our Neeley family loves the Nixon Family! During all of our growing up years, we remember conversation after conversation, and visit after visit to Aunt Opal and Uncle Niall's. My mother, Maude, talked of her 1st cousin Opal frequently and with the greatest of affection. It was only natural that all of the Neeley children felt the same towards Aunt Opal and Uncle Noall. Consequently, all of Opal and Noall's children (our full second cousins) have been on our list of very special people. I remember well all of my older brothers and sisters [Lenore Cornwall (Shirl), Joanne Buehner (Walt), Marilyn Knudson (Ellsworth), Kenneth Neeley (Nola), Susan Egli (David), Christine Mix (Jeffrey), David Neeley (Karen), and myself Jonathan Neeley (Lynnette)] talking about the Nixon's with such love and appreciation. We were all so excited when our mother announced a trip we would be talking that included a visit to the Nixon's, whether it be in Utah, Idaho, or especially at Macks Inn. Personally, some

of my most special memories as a young boy include visiting Aunt Opal and Uncle Noall at their cabin at Macks. Additionally, I remember so well the tremendous heartbreak I felt in 1973 as a young returned missionary when hearing the news of the passing of Susan and her husband. There is still an empty place in my heart because of the love she showed to me as a second cousin during my growing up years. I will always be grateful. At the time of this writing, my four oldest brothers and sisters have passed away. The four youngest children of Maude are doing well, although getting older every day (Christine in Gilbert, AZ, and Susan, David, and Jonathan in the Salt Lake/Provo Area). And finally, the desire in the hearts of the Neeley's to walk in the footsteps of the Brunt's and the Nixon's, Joanne and Walter, Kenneth and Nola, Christine and Jeffrey, David and Karen, and Jon and Lynnette each have cabins at Macks Inn. Please know how much we love the Nixon family. Please know what a wonderful influence you have been throughout all of our lives. And please know of our sincere sympathy which we share with you at this time of the passing of Bill. What a glorious occasion it will be in the coming day when we will be able to yet again enjoy a tremendous Nixon/Neeley Family reunion with Opal and Noall, Maude and Kenneth, and all of our second cousins. We love you!
