So sorry to hear the news. Bill was a great fun person for a neighbor and to work with the Farmer’s daughter. I will miss him.

I am so sorry to hear of Bills passing. I worked with Bill at the Post Office , he was such a great guy. He was always in a pleasant mood and friendly to everyone. He spoke about his family often, especially his nieces and nephews. He will be missed. My condolences to his family.

We have so many memories growing up next to Bill and the family. Working with him at the Farm teaching me how to play pool and his willingness to always have a conversation. He will be missed.

I cannot express how sad it is to hear of Bill's passing. I enjoyed so much playing and talking music with him. It had been so long since I had seen him, but have such great memories of him. He will be missed profoundly.

Sorry for the loss of Bill. I'm gonna miss him. He was a super nice and helpful guy. He is in the great pool hall in the sky.

I originally met bill through a mutual friend of ours named Marty Taft. Marty passed away in 1983 and I still maintain contact with Bill. I forged a friendship with Bill when he worked at the long gone Farmer's I Daughter Cafe and billiards. Where Bill once worked as a grill cook. He cooked an awesome cheeseburger. He will be missed by all who knew and loved him. R. I. P. My old friend. God be with you till we meet again.
