I'm really sorry for you loss. Will and I worked together in Argentina, as missionaries. He had such a pure heart. He loved helping others and I learned a lot from him while we were in Argentina. He will always be in my heart and people's hearts that he helped.

I worked with Will on snow and at the pool at the Utah Olympic Park. He was a delight to be around; his positivity is the first thing I think of when I hear his name. He was a great coach and always seemed to have a really easy time keeping things fun for his athletes and his fellow coaches. I remember being excited hearing about him making progress after his injury. I've been following him on Instagram, watching him ski and bike again. It was amazing seeing him come back to those sports after what he went through, and smiling the whole time! The ski and bike communities and the world as a whole would be a better place if we could show as much kindness and positivity as

Will. I am sorry for your loss. I hope the coming weeks and months go as easily as possible for your family.

I only got to work with Will for one season at the Deer Valley Ski School office, but I could tell he was such a bright light. He contributed such a positive energy to the whole place and his amazing attitude was an example for us all.

Our family is so sad to hear the news of Will's passing. He was such an amazing person. He was so kind, gentle, fun, and generous. We have been using him for years as a ski instructor for our son Leo. We just requested him again a couple of weeks ago to be Leo's instructor this winter. I was wondering why it took Will so long to respond yes. He was always quick to respond to our ski request. We were devastated to hear the news. Leo was looking forward to seeing Will again this winter. Not only was Will a great ski instructor, but he was a great mentor. He was so optimistic and positive. He also made sure my son was safe at all times. Will took so much time to create a super high quality video along with amazing music for my son after every visit to Deer Valley. No other instructor on the mountain makes videos the way the Will does. He put so much time and effort into it. I would love to share some videos that Will made to his family. My email is gbassetto@gmail.com if you would like some videos sent to you. They are a gift we will treasure forever. Our family and Leo especially, will never forget the incredible Will Gibbs. He was a gift to all. The Coulter Family

I knew Will in Argentina as a missionary. I met him in my first area, and he was so quiet and kind and always had a smile. He was a friendly welcome to a new place and way of life. I know the Lord loves him. He now gets to serve again.

I had the honor to meet will in Byu-I when I tell you he was such an amazing, wonderful, incredible, kind person he truly was. Such a humble soul. Always was willing to help anyone. Thank you will for coming into all our lives. I know that those who got to know you will remember you and you will always hold a special place in our hearts. Sorry for your loss. When I read about will I could not believe it. The best thing about the gospel is that FAMILIES CAN BE TOGETHER FOREVER.
