

Scott Thomas

June 22, 1942 ~ March 17, 2023

Scott has been an amazing example of service and kindness. He will be greatly missed and fondly remembered. Love Dean and Ellen and Family.

Mr. Thomas was my 6th grade teacher. Years later, much to my surprise… he popped up at my wedding. I married Jordan Castleton, who was a neighbor of his for many years. We shared laughs and I'll never forget him saying, "It's not everyday that you go to a wedding and know both parties well." From that day forward, we kept in touch and I made sure to send a Christmas card every year. We recently moved into his same neighborhood and made sure to say hello often and hand deliver our Christmas card and goodies each year. We will miss you Mr. Thomas. Thanks for being an amazing and kind guy. You made the world a better place!

Scott was an amazing neighbor and friend. He is loved by everyone who got to know him. He made the most delicious rolls, which we were the recipient of through the years. His garden vegetables too found their way to our table. We can't say enough about how much we loved him, Sherrie and his wonderful children. We will miss you all!! Love, Steve and Sue Wise

After reading this beautiful obituary, I can clearly see where Bret has learned to be the best he can be. William Scott's Legacy lives on in his children and especially his love for teaching and serving others as I see in Bret

everyday at Alta High School. My thoughts are with your family and may God pour out his richest blessings upon all of you at this special time in your lives.

I am so sad to see Scott go. He was such a great man. We spent many hours serving together in the Bishopric. He was an example of devotion and commitment in all he die. We love his family and pray for their comfort at this sad time. I

Uncle Scott was a truly special person who brought joy and kindness into the lives of those around him. His positive attitude and happy demeanor will be deeply missed by all who knew him. Please know that you and your family are in our thoughts and prayers during this difficult time. Losing someone we love is never easy, but we're happy he's reunited with Aunt Sherrie. We love you all.

I am saddened beyond words that last night's blizzard has blocked our roads and prevented us from attending the service. I have such wonderful memories of so many adventures with Scott, Jeff and family, from my earliest memories until just a few short years ago on our last fishing trip together with Jeff and some of our kids. Burned in my memory are his bucket fishing hat and bait box he always carried into our remote fishing spots on his long skinny feet. I will always remember Scott's quiet humility and keen sense of humor. He did not say a lot, but when he did, it was always worth listening to. A good joke, a funny story, or a wise insight. His goodness seemed to emanated from him but I never knew him to wear his virtue on his sleeve or to judge or preach to others. A wonderful man. We will miss him.

So sad to hear of Scott's passing. I began teaching with him at Calvin Smith Elementary the first year the school opened in 1979. I continued teaching with Scott until his retirement. Scott was one of the kindest men I know. He always saw the positive, was always encouraging and supportive of everyone. He had a great sense of humor and as a faculty we were a family where we could laugh together at the antics of our teaching day. One story that always stuck with me was about how one of his students brought a duck to class in his back back. I can still hear Scott chuckle with that wonderful grin on his face. Scott was respectful of others whether they were students, parents or members of the faculty. He had a quiet unassuming way about him. As a faculty we were sorry when he retired early to take care of Sherrie but understood his devotion to his wife and family. Scott will genuinely be missed by all who knew him and by the many whose lives he touched.
