He was one of my cousin Evan's best friends, I played Fortnite with him Xander couple times when I was younger. Good times, he was a super awesome dude, super sorry to hear of his passing.

Xander was such a sweet kid, who always had a smile on his face. He was always so polite and quiet. We will miss seeing him come into the TMA office to work with his dad or see his mom. Our prayers and condolences go out to

the family at this difficult time.

I've known Xander through many stages of our lives and while we haven't had much contact for a while now he was always a blast to hang out with, I'm heartbroken to hear of his passing and all my love and support goes to his amazing family.

Rich & Whitney - I am so saddened to hear about the loss of your son Xander. I cannot even begin to imagine the sense of loss and grief that you as parents - and anyone that knew your son - are going through. Losing a child is unimaginable to me and I am sure that it was to you as well. He sounds like an amazing young man that touched so many lives and was on the right path. I hope that you will find peace and comfort from family and the gospel as you work through this challenging time. My prayers are with you.

In the short time we're able to get to know Xander, we were impressed by his kindness and willingness to help. You could see how much his family adored him. We pray that each of the family will be blessed with comfort and reassurance in the Plan of Salvation that our Heavenly Father has provided for each of us and look forward to the to time you will be together again.
