

Gordon "Gordy" Edward Walton

October 6, 1924 ~ August 9, 2020

Dear Ann & John, Although I am not personally acquainted with either of you, I feel as if I know you intimately.. I was a sorority sister of your mother, Carol and knew Gordon as the two of them were dating in the Phi Phi House. I was also good friends of your mother's parents, I followed closely, Gordon's career and how they loved to visit Hawaii, When their health deteriorated and they moved into the Park Lane, I visited them often, and the past years when Gordon had very poor health, I continued visiting him...it made my heart ache for him and I didn't feel sad when he passed away, out of his misery and reunited with his beloved Carol.. My love and sympathy to both you and your families. ❤■ Geri
