Dear Clayton Family, My deepest sympathy, honored and blessed to have been a part of you during one very meaningful year. Mom must be already enjoying paradise with Dad, John and all those who preceded her. May our Lord bless and comfort you during this time of grief ■ A very warm "abrazo" ■

Dear Clayton Family, I am every day more convinced that happiness in Heaven is for those who know how to be happy on earth. That's perfectly right in the case of Mom who always gave love and wisdom to everybody. Rest in peace dear Mom and enter into the Kingdom of God where the treasure of eternal life is waiting for you, and where you will join your beloved who preceded us. Love, Sergio

Although not surprised, I was sad that my dear friend Betty had passed away. She had always been an example of a classy lady to me, and I loved her warm association. You in her family have been an honorable tribute to her. What more could a mother want?
