Earl was such a funny guy and he and I loved to poke fun at one another. I’m so grateful I had the opportunity to care for him at the VA Home for the last 5 months. I loved hearing him talk about his dear Saundra and how they met. His love for her was beautiful to witness. Praying for his sweetheart, children, grandchildren, and friends. We lost a great one. Love, Jenny Robbins CNA

Pres. Maeser and Saundra had a big impact on me growing up. They always made me feel that I was a capable daughter of God. They were such dear friends and neighbors to our parents. He will be missed. The Norton family aeds our love and prayers to Saundra and the kids.

Saundra, we were saddened to hear of the passing of Earl. We know how much the entire Otteson and Stark families loved him. We have many memories of his kindness to Fern and Lee. You were the perfect back door neighbors to the Starks, the wall made that easy right? It was fun having you two as partners in the cabin too. You were always pleasant to work with. We wish you and your family the very best. The Plan of Salvation is true and it will be just a short time until you are reunited with him. The people on the other side will be blessed as he teaches them the truth of all things. Hugs and prayers to you all.

What a good, gentle, giant of a man, Earl Maeser is! The epitome of a humble servant of our Heavenly Father and was always engaged in being of service to those around him. I didn't know his family personally, probably have seen Saundra in stake conference, but wouldn't recognize her now, but I know that she and all their family have been have been so blessed by having him as their head. I just remember after my husband and I had just returned from a Spanish-speaking mission (and were pretty tired) when brother Maeser tried his best to recruit us to help in the Central City mission, which we regretfully postponed. When I read his obituary of everything he accomplished and all the service he gave, and lastly his service as our much-loved patriarch, I am just grateful to have known him and know the dear Lord will pour out his blessings on his dear wife Saundra and all the kids and extended family.

Dear Saundra, Our thoughts and prayers are with you and your family. We will miss Earl so much. We have such fond memories of you and Earl together with us as we attended a temple session and then dinner afterwards. Lots of jokes and fun but also serious discussions as well. They were such good times. We learned much and felt the love Earl had for the Inner City as we served with you there. Lots of hours spent together planning and serving. We love you and are so blessed to have you as our friend. Love, Ivan & Sherri

Earl was one of my most favorite cousins and one that I looked up to and admired for his ability to organize and put together our family reunions and get togethers that were so very important to all of us. He was always encouraging and supportive and just a fun cousin to be around. When he and his folks came to our home in Morgan, we would put classical records on the console and just enjoy the music (he was one of the few that enjoyed what I enjoyed). I always thought it was so good to have such a neat older cousin that would even give me the time of day. I will forever cherish our times together and for the goodness and common ground we both pursued either in family matters or in Gospel discussions, it was always meaningful and good. I look forward to our meeting again!
