Dear Yvonne, Thank you for your dedication and love to our mother over the years. May the Lord bless and keep you as you take your journey home. Sending condolences to the family. Cherish your memories of Yvonne, a true disciple of Jesus Christ. Love, the Hogan Family

The Parkinson’s were good friends to our parents: Frank Dahn and Roland and Charlene Pierce. They were also very nice to us and we enjoyed the time we spent with them.

Me and Franceen have been so saddened since the news of your mothers passing. Yvonne was will always be remembered as one of favorite aunts and was truely an angel of God on this earth. She always brightened everyone's life that she came in contact with and we were so glad we had the opportunity to get to know her even better and be able to spend a little time with her during her home remoldeling projects. One of heavens angels has returned to be with her loved ones as she stands surrounding Heavenly Father. We pray that Heavenly Father and Christ may bless all of you in this very difficult time, and let you know that we are here for you if you need anything. We sincerely send our love to each of you. Love, Ken, Franceen, and family.

I have known Sister Parkinson since I was in my late teens. My wife and I have had the wonderful pleasure of becoming her neighbor 8 years ago. She never missed a birthday or Christmas...I will miss waving to her through her front window. She was such a caring loving person and will be greatly missed by all who knew her.

She will be very missed and we will really miss all of the hard work she has done on the whole Stott Family genealogy. She was such a special Lady and we love her dearly. May God bless and protect her family. We are so sad for your loss she will be so missed. Love from the Greenhalgh Family.
