# Beverly Brough Campbell

*May 15, 1931 ~ February 16, 2017*

---

I searched for Beverly to find a way to thank her for her book - Eve and the choice made in Eden. I wanted to tell her how grateful I am to her. There truly are not words that I can express, which are also sacred to me, but I simply am a changed person because of her words and research. I wish I could've thanked her. -Aspen
