Maureen loved to sew and decorate, but poor health for most of her life seem to derail these pleasures. She loved her children and grandchildren. Her greatest joy was having her grandchildren around her. Maureen also loved her little dog, Ruby, who was a great therapy for her. Maureen's Legacy is her children who have gone forth in this world to have made a better world for their children, and contribute to society. Maureen was a Mother, Wife, Grandmother, Sister, and Friend. She has left an empty spot in our hearts, but God loves her Dearly. Our Lord has found relief from sickness and pain for our beloved Maureen - Mother, Wife, Sister, and Grandmother.
