Eve Wayman

October 18, 2014 ~ February 10, 2016

Eve Wayman came to earth on October 18, 2014, the best gift her father could get on his birthday. On Wednesday, February 10, 2016, the anniversary of her great grandfather Cook\s birthday, Eve returned to her Heavenly home. She is survived by her great grandparents, Clayne O. and Betty Barlow Wayman, Francis Joan Cook and Dale and Glennda Estes. Grandparents, Clayne Dee and Susan Wayman and Karl and Betsy Winters, her mother and father Brittany and Heber Wayman of Mountain Green, Utah and four sweet sisters, Lucy and Liberty (4), Charity (2), and Heidi (6wks) and many aunts, uncles and cousins. Eve was raised in a home full of love and little girls and brought with her a sweet, gentle, loving spirit. She loved playing with and teasing her sisters. She was an unselfish and forgiving playmate in all of their many adventures. Eve\s death was sudden and accidental. Her sweet face and the light she brought to their home will be missed more than words can express. All are welcome to help us celebrate her perfect life at any of the following services:
