November 13, 1955 ~ April 27, 2020

Dorothy Elizabeth Jeffries, Registered Nurse, Mother, Grandmother, and Member of the Church of Jesus Christ and Latter Day Saints was called home after a short illness on Monday April 27, 2020. Dori was born in Dover, New Hampshire to John Peter Bourque and Phyllis Theresa Bourque on November 13, 1955. When she was 16 she joined the Church of Jesus Christ and Latter Day Saints and with an unwavering faith held many callings within the church. Dori obtained her LPN from New Hampshire Vocational Technical College, and later earned her RN from Weber State University. Mom worked as a nurse serving the community for over 40 years. Nursing was moms calling from God and she brilliantly cared for the sick. After retiring Dori spent her free time with her 3 daughters and their children. Nothing made her as happy as when she was with her 10 grandchildren! Dorothy is survived by her mother, Phyllis Marrah and 3 daughters, Beth Ann Jeffries (Adam LeCroy), Sarah Althea Ford (Ronald Ford), and Laura Bowen (Robert Bowen).
