Samuel Helaman Fruean Jr.

September 10, 2017 ~ September 10, 2017

Samuel Helaman Fruean Jr. made an unexpected entrance into this world at 10:45 pm on September 10, 2017. He weighed in at a whopping 1lb. 2 oz. and he is 12 inches long. He has long legs and long arms, with long fingers and toes. He has his mommy's nose, his daddy's eyes and a beautiful calm spirit. He was so anxious to meet his parents, but his little body was not ready. He laid on mommy for a few minutes, taking in his first breath of life. As he laid in Daddy's arms, he took his last few. He came to earth to receive his body and left back home to do what he is meant to do. Wrapped in the arms of the Savior, he is safe and protected from the hardships of the world. Mom and Dad, he is probably saying, \"I love you and I am sorry that I couldn\t stay, but know that I will wait for you on the other side of this very thin veil.

SJ is survived by his parents, Samuel and Whitney Fruean, his grandparents; Bishop Evans and Vera Iosua and Sosaia Fruean, his great-grandparents; Samuel Fruean I and Feia Pu'u.
