Ethan Mitchell Fraga

April 7, 2000 ~ November 19, 2016

Our sweet son and brother, Ethan, left us too soon but we will forever be grateful for the time we had with him and are grateful for the knowledge that families are forever. We know that we will have a joyous reunion someday. Ethan was born April 7, 2000 to Sueann McDonald and Roberto Fraga in Sandy, Utah. To know him was to adore him. He loved his family, friends and life with his whole heart. He had a unique ability to make everyone feel loved. He was a service oriented young man and a member of The Church of Jesus Christ of Latter-day Saints and was very active in his priesthood group. He loved exploring and traveling, and with each trip he took, he brought a new sense of adventure back with him. He always said he was born in the wrong decade. He had a passion for music. He loved Father John Misty, Portugal. The Man, Beach House, The Doors, The Beatles, The Beach Boys and Jimi Hendrix. He had a passion for art and was always ready to sketch up something new and add to the beauty of the world.

Ethan was daring and always wanted to try new things. He showed that, by his love of rock climbing and helping his friends appreciate the beauty of the great outdoors. He was competitive and gave his all in everything he did. He was a trend setter and his sense of style inspired those around him. By constantly lifting those around him, he made us all want to be better. He was full of life. He could melt anyone with his sweet grin and beautiful eyes.

Ethan is survived by his parents, Roberto and Sueann, brothers Conner and Aidan, and his sister Aanika. He is also survived by his grandparents Kent and Velda McDonald, and many aunts, uncles and cousins. He was preceded in death by his grandparents Hugo and Maria Fraga, and Cathy McDonald.

"I know that after you die, you'll instantly be in a better place. So honestly, I don't fear death, I just fear not living to the fullest." ,Ethan Fraga "E-bot, Lizard King, Beef, Fifi, Vegan, E"
