

Linda Workman Angeli

January 23, 1950 ~ August 27, 2016

Linda Workman Angeli was reunited with her loving husband on August 27, 2016. Linda was born in Brigham City, Utah on January 23, 1950 to Arthur and Jane Workman. She grew up in Park City, Utah and married her high school sweetheart James Angeli on December 23, 1967. After working for several years at Disonics she left and stayed at home helping care for her children and grandchildren. Her six grandchildren and four great-grandchildren were the light of her life. She took any opportunity she had to spoil and spend time with them. She never missed a birthday, holiday or anniversary without sending a card, calling or giving a small token of love. Linda was a people person and was always "on the go". She enjoyed participating in the senior center, bowling, bingo, going to Wendover and traveling many fun places with her husband. Everyone she met became a friend. There was always room in her heart to care about another person. This was a beautiful characteristic and she loved unconditionally, regardless of anyone's situation. Her ability to make every person feel important made her loved by many. She was the life of the party with her contagious laugh and sense of humor. We know she is making the angels in heaven smile!

Her laugh, thoughtfulness and love for those around her will always live on in our hearts.

She is survived by her daughter Brenda, (Kirk) Loya, her son Troy, (Misty) Angeli, Her sisters Carol Johnson, Barbara Provost, and a brother Steve Workman.

She was preceded in death by her husband, parents, brother and many beloved in-laws.
