Natalie Jade Horrocks

October 23, 2018 ~ October 23, 2018

On October 5th we were told that our baby, Natalie, had Triploidy, an entire extra set of chromosomes and she would not make it to full term. If she did, she would not live past delivery. On October 16th we were told that Natalie no longer had a heart beat and we made the difficult decision to not try and carry her full term. Natalie was delivered on October 23, 2018. She was too perfect for this world and has now returned home to her Heavenly Father and family that is already there to care for her. Natalie is very loved by her family and we are grateful that she was sent to us. Our forever angel.

Baby Natalie leaves her mother Megan Mortensen, father Andrew Horrocks, big brother Bentley, grandparents Mark and Elaine Mortensen and Richard and Lillian Horrocks, great grandparents, aunts, uncles and cousins.

There will be gathering for family and friends on Saturday, October 27, 2018 from 11:00am - 1:00pm at Larkin Sunset Gardens, 1950 East Dimple Dell Road (10600 South) Sandy, UT. Interment Larkin Sunset Gardens Cemetery.

The family would like to express their heartfelt gratitude for the donations and support they have received from family and friends at this extremely difficult time.
