Neldon Adair

March 31, 1939 ~ December 5, 2013

Neldon Adair fought his way back to Heavenly Father on December 5, 2013.

Born to and preceded in death by Josiah Hoyt Adair and Eleanor Hulet Winsor Adair. He is survived by 17 children who have called him "Dad", and countless grandchildren.

He was born in Panaca, Nevada and graduated Linada High School in 1957. He enlisted in the Navy in 1958 and was honorably discharged in 1970 because the Navy could not support the size of family he was blessed with after marrying Jacqueline in 1969. He went on to finish a degree in Electronic Engineering at Salt Lake Community College.

Neldon's love for his family and others was consistently exemplified in his kind words, and sharp assessments of his loved ones' interests. His sense of humor, strong will, and integrity were things to behold!
