Her parents, sister Amy Frost and granddaughter Jennifer Orme preceded her. Although Momma loved flowers, helping others was also important to her so if you prefer you may make donations in her memory to the Huntsman Cancer Institute, your favorite charity or simply by showing the depth of your love to the people in your life.

Dear, sweet Momma may you find peace and joy as you reunite with family and loved ones who are welcoming you on the other side. God be with you until we meet again. You will always live in our hearts. Families are forever!
