# Summer Diane Larson

*May 6, 2015 ~ June 6, 2015*

Our darling "Summertime's" life was short but sweet. She came into our lives like a ray of summer sunshine after a 4 year winter following her Brother's death. Little Summer warmed all who met her with her kind and happy spirit.

She was born on May 6, 2015 and succumbed to the same rare genetic disorder as her brother on June 6, 2015 after one short month of life. Even to the end she maintained a happy, gentle demeanor as her body slowly shut down. She was an angel to the end and is now in Heaven where she is meant to be.

She has left behind her loving parents: Stan and Jill Larson, grandparents: Jim and Diane Blanda and Cregg and Wilmie Larson, great grandmothers: Janet Kehl Roberts and June Roberts Tate, and many aunts, uncles and cousins. She is preceded in death by her brother, Brady Glenn Larson and great-grandparents.

Memorial services will be held Monday, June 15th, 2015 at 11:00 am in the Larkin Sunset Garden's Chapel, 1950 East 10600 South, Sandy with viewings there Sunday evening 6-8 and Monday one hour prior to services.

We wish to express a special thank you to her nurses, her pediatrician, many specialists at Primary Children's Liver Clinic and Metabolic Genetics and Bouncin' Baby Photography who gave her loving attention and special care.
