Andrea K Baird

March 21, 2013 ~ October 9, 2014

Our sweet little angel Andi was called home to be with her Father in Heaven on October 9, 2014. Andi was a special and long-awaited daughter who came into the arms of her loving parents, Greg and Jenn Baird of Lehi, at the American Fork Hospital on a beautiful spring day, March 21, 2013. She inspired and captured our hearts.

Mommy's little girl was always there to brighten up the day. She is the definition of happiness. She had a quick and ready smile and beautiful blue eyes that complemented her sandy blonde hair.

A strong-willed girl with a big heart and even bigger presence, Andi was always in a hurry to grow up and be a "big girl." She loved to play with her brothers and they, in turn, stood ever-ready to both defend and adore their baby sister.

Everything about her was too quick. 18 months is too little. She was loved deeply and completely by her father, and will be missed immeasurably by her mother. Though her visit to earth was brief, she brought us joy.

She leaves behind her parents, Greg and Jenn Baird; her two older brothers and playmates, Luke and Colby; maternal grandparents Harley and Jodi Blackburn; paternal grandparents Jeff and Belinda Baird; and countless other relatives and friends. All of us eagerly await a reunion with her on the other side of the veil. Our greatest comfort is that she now rests safely in the arms of our Savior.

Memorial services will be held at the MLA Cultural Hall in Rocky Ridge, UT at 10 AM on Monday, October 13th, with interment at the Rocky Ridge Cemetery to follow. Arrangements by Larkin Mortuary.
