Wilma Farr McCullough

March 13, 1925 ~ September 5, 2015

Our beautiful mother, Wilma Farr McCullough, passed away Sept. 5th at age 90 from pancreatic cancer. Wilma, a child of the Great Depression, was the youngest of four girls. At eighteen she left her home in Gunnison, Utah, and enrolled in the nursing school at the University of Utah where she met her sweetheart, Moe McCullough. Together they raised four children and enjoyed a full and active life.

Along with being an engaged mother, Wilma had a meaningful career as a nurse. She was accomplished without being arrogant, hard working without showing fatigue. Wilma was always pragmatic, gracious and appreciative. Throughout her adult life, Wilma met monthly with several groups of friends that have provided love, laughter, and comfort. As her children, we thank all her friends for this special gift of friendship.

Wilma is predeceased by her husband Moe and her sisters Beth, Helen and Nedra. She is survived by her children Christine Baxter (Jon), Jim McCullough (Natalie), Ann Hinckley (Scott) and Janice Crompton (Craig, deceased) and eleven grandchildren.

Come visit with her family at Larkin Sunset Lawn Mortuary 2350 E 1300 S Friday evening, Sept 11th, from 6-7pm or from 10:30-11:00 am on Saturday, Sept. 12, prior to her memorial celebration at 11:00 AM also at Larkin Sunset Lawn.
