Joshua Joseph Webber

April 18, 1984 ~ May 8, 2014

Joshua Joseph Webber "Josh" tragically passed away May 8, 2014 in Murray, Utah. He was born April 18, 1984 in Sandy, Utah. He was a beloved son, brother, uncle, cousin, and friend and loved fiercely by those who knew him.

Josh enjoyed riding his Harley, playing computer and board games, and playing Xbox. He was tech savvy and great with computers. He had his own great style and would be considered a "hipster" long before hipster was a thing. Of course, he would be horrified if anyone considered him a trend setter. He was also known for his amazing original Halloween costumes. Josh had collections that were a fun part of his personality. He was an avid collector of all things Nintendo and recent collector cat figurines. Josh was passionate about music and had an extensive collection.

Josh chose a vegetarian lifestyle which supported his compassion for animals. He cared for his cats with great love and adoration.

He was worshiped by his nieces and nephews because he always took time to play with them and gave them the attention they needed.

Josh will be remembered for his playful and carefree ways and for living life with his heart.

Josh is survived by his parents, Terry and Charleen, sisters; Shauna (Shawn), Christina, Teresa, and Marsha (Ken), nieces and nephews; Tyler, Kamry, Nicole, Hannah, Ashlynn, Kaitlyn, Arron, Isabelle, Marcus, Lucus, and Emma, grandmother; Colleen Little, and his jerk cat; Samhain.

Preceded in death by his grandparents; Wesley Little, Clarence and Ruth Webber.
