

Cori Elaine Porter

December 19, 1983 ~ July 11, 2020

Our most beloved Cori Elaine Porter returned back to our heavenly home on July 11, 2020. Cori was born on December 19, 1983 to Greg and Nona Porter and was the oldest of four children. Cori will be remembered for her tender and loving heart, tenacious drive, independent spirit, and her ability to always have a good time. Cori loved to attend concerts and would travel almost anywhere to see her favorite artists live. She loved being a cheerleader for her high school and for everyone in her life. After high school Cori worked her way through college and graduated as a dental hygienist. Cori was an avid lover and advocate for animals, especially her dog Mac. Cori was a foodie at heart and always loved to show others the best places to grab a bite to eat. You could often find Cori out on an adventure in nature through hiking, boating, snowboarding, or camping. She always loved to go to “her laughing place” at Disneyland with her family and make wonderful and lasting memories. The bond she had with her family, especially her dear mom, was truly her greatest treasure. Cori is survived by her parents, Greg & Nona Porter, brothers Zach & Devin (Celeste, Sloane-niece) Porter, sister Chloee (Samuel, Jace-nephew, Madison-niece) Butterfield and grandparents Kenneth & JuVene Porter. As well as many beloved Aunts, Uncles, Cousins, and friends. Cori is preceded in death by her Grandparents Heber and Elaine Garside. A viewing will be held on Saturday July 18th, 2020 from 10 am- 12 pm at the Copperview Stake Center located at 12154 South 3600 West Riverton, UT 84065. Funeral services to follow at 12:30 pm and graveside dedication at Riverton City cemetery.
