Bryson Thomas Hathaway

March 5, 2000 ~ February 14, 2018

Bryson Thomas Hathaway born on March 5, 2000 ready for life. Passed away unexpectedly in a tragic car accident on February 14, 2018 at the young age of 17. The loss of Bryson has and will forever leave an unfillable void in our hearts. If you knew Bryson, you knew his unconditional love and kindness of his amazing and powerful soul. In 17 short years Bryson touched more lives than the average person would touch in 10 lifetimes. Bryson loved that his life was just starting and that new and exciting adventures were ahead. What Bryson lacked in size for so many years, he made up for with courage, determination and the willingness to never give up. Being on a baseball or football field was Bryson\s home. Being with his teammates was like being home with his family. From Bryson\s addictive smile to his unique eyebrows his spirit will live on. Bryson\s unconditional love for his family was an example to us all in how to treat others. Bryson was an amazing brother to his siblings, a son we are so proud of, a grandson who would do anything for his grandparents, and a cousin who loved to spend time with them, a nephew that would always put a smile on their face. Though Bryson is gone, he will never be forgotten. We will miss your smile, your jokes, your laughter, your sport stat updates and your hugs.We are excited for that day we get to see you again.Bryson will be united with his brother Turk who he named and his sister Sofia and many other opening arms from little Gramps, Hannah, Porter and David.

We love you, your Dad and Mom, Marissa, Kinsley, and Kershaw

Our family would love to express the appreciation for the amount of support that we have received at this difficult time. It has been overwhelming.

We will be celebrating Bryson's life Tuesday, February 20th6:00pm-9:00pm Larkin Mortuary in Riverton. Funeral services will be held Wednesday, February 21stat12:00pmat Herriman High Auditorium with visitations prior to the services from9:30am-11:30am.
