

Louis E Martineau

April 16, 1930 ~ June 30, 2020

Louis E Martineau was the second of four children born to Theodore Jr. and Edith Earl Martineau on April 16, 1930 in Provo, Utah. His childhood was spent in Pleasant Grove and he attended Granite High School.

On August 24, 1950 he married the love of his life Norma Mros in the Salt Lake Temple. Shortly after, he enlisted in the United States Air Force.

During his service, he attended Syracuse University to study the Russian language with additional training at a code school in Massachusetts.

After completion of these courses, he was stationed in Tokyo, Japan during the Korean War. With the conclusion of his military service, he went on to graduate from the University of Utah and began a career with Mountain Bell in Utah and Colorado. Several years later he took a position in management of Data Processing for Hercules Inc. and worked there until his retirement in 1989.

Louis and Norma are the parents of four children, Lisa, Chris, Julie and Kirk. They were committed to having a home where all felt welcome and loved. The sound of play and laughter could often be heard as grandchildren and great grandchildren came together on countless occasions. Nothing was more exciting than the holiday season at the Martineau's. The passion for Christmas was evident in the décor that adorned their festive home with the crowning spectacle of a magical Christmas Village display that would bring out the childlike awe in anyone.

Louis enjoyed traveling with Norma and their family, playing golf, building and gardening. He was blessed with a keen mind, quick wit and quiet wisdom. His kindness, positive attitude and generous heart made him easy to love.

Louis was a faithful member of the Church of Jesus Christ of Latter-Day Saints. His devotion and example never wavered.

His family would like to recognize and thank the remarkable staff of Legacy House at Park Lane in Farmington, where he lived the last year of his life. They provided family-like care during months of pandemic quarantine and we are most appreciative for the service they rendered on his behalf.

He is survived by: Ron Stephens, Chris (Sherrie) Martineau, Julie (Robert) Fisher, Kirk (Karen) Martineau, 17 grandchildren: Luke, Corbin, Sara, Jeff, Chad, Scott, Mindy, Mike, Nick, Megan, Aaron, Ryan, Rachel, Meredith, Vanessa, Victoria, Elizabeth, 33 great grandchildren, sister, Dawn (Floyd) Wilmore, sister, Dorothy (Leon) Blake, and sister-in-law, Arline Wright. He was preceded in death by: his wife, Norma Mros Martineau, his daughter, Lisa Stephens, and his parents, Theodore Jr. and Edith Earl Martineau.

Due to COVID-19 restrictions, only Louis' family will join together to honor him on Friday, July 10, 2020 at Larkin Sunset Gardens @ 11:00 am. There will be a viewing prior to the funeral from 9:30-10:45 am.
