Kerry Milo Winkel of Riverton, Utah passed away in his home and returned back to live with his Heavenly Father on August 29th, 2019 at the age of 43.

Kerry and his twin brother Kody were born in Richfield, Utah to Kim and Susan Winkel on June 5, 1976. Kerry loved being a twin; he and Kody were lifelong best buddies.

Kerry graduated Richfield High School in 1994, went on to SUU, and later he attended Temple University where he graduated with his Doctor of Dental Medicine in 2003. He started his career in Sandy, Utah in 2004 and later started his own dental practice called Bonneville Dental.

Kerry married Cami Turner in 1996 and together they had three children and later divorced. Kerry married Stephanie Gadegaard on October 29, 2010, welcoming her three children into his life and together having two more children.

Kerry was an amazing man with the kindest heart. He was always so giving and generous, bringing anyone and everyone into his home and life - just don't take his H√§agen-Dazs or drink his Mountain Dew. Although Kerry's hobbies included hunting, golfing, and fishing with his friends and family, you would most often find Kerry supporting his children at their football games, cheer competitions, soccer games, and baseball. He was the best dad.

Kerry is survived by his wife Stephanie and their children: Braylon, David, Braxton, Carter, Baylee, Lettie, Jade, Nixxon, and Ellsie. Parents: Kim and Sue Winkel, in-laws Carolyn and Steve Ludlow. Siblings: Kody (Kassie) Winkel, Jerico (Joelle) Winkel, Kellie (Justin) Thompson.
