Eric Michael Pearl

February 26, 1985 ~ November 1, 2015

On November 1, 2015 we lost our sweet, beautiful, loving son, brother, uncle, and best friend Eric Michael Pearl.

Eric was born in Salt Lake City, Utah on February 26, 1985 at the L.D.S.Hospital.

He attended schools in the Salt Lake area graduating from East High School and then going on to earn his degree in Economics and Political Science at the University of Utah. He was currently attending the University of Utah in a graduate program for Entrepreneurial Business.

Eric caught the travel bug early in life and traveled to many foreign places. His favorite being a trip with his family to Africa to see the animal migration.

Those of us whose lives were blessed by Eric enjoyed knowing the kindest, most generous, loving young man. He enjoyed snowboarding, photography, playing the drums and late night talks with his family and friends. Most of all he enjoyed having dance parties with his niece Bella. He was all about being a family man, always trying to figure out where the next family vacation was going to be. He made us laugh with his quirky sense of humor and all the stories that he could get us to believe. He taught us how to live and love life to the fullest. We will miss you tremendously Eric.

He is survived by his parents James and Debra, brothers Adam and Ryan, and his sister Kali Pearl.

He was preceded in death by his Gandma Maggie Pearl, his Grandpa Waide Smith, his Uncle Alan Smith and his Papa Saul Fineberg.

Funeral services will be held at the Larkin Mortuary November 7, 2015. 260 East South Temple

A viewing will start at 12:00 pm with the service at 1:30 pm and graveside services to follow.

Interment will be at the Salt Lake City Cemetery, 4th Avenue "N" Street. (inside the city cemetery below 11th Avenue).

In lieu of flowers Eric would have appreciated a donation in his memory to the Children Center.
