Chet supported his family as a successful salesman and helped many people as a result of his profession. His most recent employment was with Kellogg Insurance Marketing, as an Agent. He really enjoyed all of the people he worked with at the office, as well as all of his clients. He spoke of them all as friends. He cared so much about those he met and was very genuine in all relationships he built over the years. Chet loved riding his Harley, especially his long trips with dear friend Ron Kellogg, taking mom with him on those rides, and having his son's ride along side with him. Riding the Harley was his Heaven on Earth. He also loved camping, hunting, fishing, horse races, cooking, drinking Diet Pepsi, and watching old westerns, attending his children's and grandchildren's events and mostly just loved being around his entire family. Dad's cooking, stories, laughter, love and so much more will be missed by all! He truly is the GREATEST MAN we have ever known. Ride hard Dad, We Love You!!
