Our beloved son and brother Seth, passed away July 1, 2015. He was born in Salt Lake City, May 23, 1984 to Sallie and Lynn Calder.

Seth Loved to spend time with family, friends and relatives. He loved them all and they all loved him immensely! He also loved the excitement and diversity of New York City, where he lived for 10 years. Handsome and charismatic, Seth made friends wherever he went.

Seth was an outstanding artist with a brilliant mind and contagious personality, and he could fly on his skateboard. He often enjoyed all night games of RISK with his brothers.

Seth had struggles and challenges that would bring anyone down, yet he kept fighting with his grit and a love for adventure and people.

Before his passing he told his mother he was praying for God's love and he was able to feel God's love for him. We also know of God's love and understanding of Seth and the struggles he faced. Now the challenges of this life are over and Seth can progress on the other side. We love him so much and can't wait to see him again , and we know we will.
