

Noel J. Becar

November 24, 1924 ~ October 9, 2018

Noel J. Becar is a loving son, husband, father, grandfather, and great-grandfather. He was a brother to his sister Marlene who lives in Mill Valley California. They were close in life, including the fact that their birthday is one day apart even though she was nine years younger. Noel was born in San Francisco on November 24, 1924. One of his earliest memories was falling out of his baby carriage at Golden Gate Park when he was two years old.

Noel married June Elaine Perschon on June 30, 1954. They started their family of four children: Noel Joseph VI, David Arthur, Elizabeth Margaret, and Allyn Paul. They have 17 grandchildren and 27 great grandchildren.

During his high school years he lived in a dormitory because of the distance to travel to school. Noel did tell stories of sneaking out at night and climbing back in through an open window. He attended college at the University of Nevada at Reno. During this time the war broke out and wanting to serve his country, he enlisted in the US Marine Corp. He was chosen to be a radar technician and was sent to a special school in Logan, Utah.

Soon after that he was loaded on board a ship to the South Pacific and he landed in Guam. After the war he decided to go to school at Utah State University because he was so impressed with the area when he was there for military training. While at school he married his first wife and he had three children: Michael, Suzanne, and Kathleen.

He was baptized into the Church of Jesus Christ of Latter-day Saints in Logan and later moved to New York when his first marriage ended. While living in New York he attended the Palmyra pageant with his roommates. There he met his future wife. As he walked with a blanket in his arms, a beautiful young woman in a white dress smiled and said, "Great! It's just what we need, another blanket." They were married in the Salt Lake Temple the following year.

Noel served as a seventy, did family history for thousands of his ancestors, and was a temple worker at the Jordan River temple. He loved teaching Sunday School and teaching about the freedoms we enjoy as Americans. His life is an example of service and love.

"I have fought a good fight, I have finished my course, I have kept the faith." 2 Timothy 4:7

"His Lord said unto him, 'Well done thou good and faithful servant, Enter thou into the joy of thy Lord.'"
Matthew 25:21
