Perry was loved by many and all. He had a pure heart. Perry had a forgiving spirit and shared his love and compassion to those around him. He was very talented and found peace and exhibited passion in his art. God blessed him with this natural ability so that it could comfort the lives of those who needed it the most. We will cherish all the memories he has left with us. He will be missed by his family.

Perry will remain in our hearts and will never be forgotten. We will be waiting for the day when we will meet together again.

Please watch over us as you are now our angel in heaven.
