

Scott W Hemmert

January 18, 1964 ~ December 7, 2018

Scott W Hemmert died on December 7, 2018 at the age of 54 after battling with colon and secondary liver cancer. He was born January 18, 1964 to Earl Julian and Darlene Williams Hemmert. He was the youngest of six kids.

Scott graduated from Brighton High School in 1982. He was the co-owner of Aire-Flo Heating and Air Conditioning in Murray Utah. Scott had a special gift for fixing anything with an engine; cars, ATV's, and especially his family's things. His favorites were his Shelby Cobra and Mustang.

At home, Scott was always starting new projects. They ranged from building furniture and sheds, to crafting artwork from metal and wood. His house was under constant construction. Michelle was always on her toes as she guessed which part of the house he was "remodeling" next.

We are proud of what Scott has built and left behind, but not just the things he built, but also the memories.
