Kent Eugene Cole

November 22, 1961 ~ November 23, 2013

Kent passed away on November 23, 2013. Kent was born November 22, 1961 in Salt Lake City. Graduated Brighton High School in 1980. A gentle giant with a loving heart, never a bad word spoken about another. He will be missed and we take comfort in the fact that he is at peace.

A very good fisherman, better horseman, and splendid carpenter and craftsman, Kent met every face with a kind eye and smile. Skilled with every conceivable piece of machinery, from the smallest motor to the largest big rig, he earned his living as professional driver with a CDL endorsement.

No place was more special to Kent than the mountains and streams of Star Valley, Wyoming. We will always think of him when hiking its trails or fishing its rivers and smile.

Survived by his parents Jane and Gary Cole, his sister Michelle (Chris) Muirbrook, and countless cousins, uncles, aunts, and loved ones who mourn his passing and find solace in the many fond memories made in Kent's company. God bless you, Kent ,Ä¶

Online condolences and more memorial service information can be found at www.larkincares.com
