Harry and Cleo were married in August of 1947 after his return from the War and operated a successful Heating and Air Conditioning business in the Salt Lake Valley until they retired in the late 1980,Ä≤s.

Cleo had a zest for living and was loved by family and friends because she was so vivacious. She was friendly, charming, cheerful and witty, and could always make people smile. She loved to go on trips as often as possible and enjoyed dressing up to explore her current location.
