# Karen Yvonne Carsey

*August 19, 1936 ~ April 9, 2016*

Karen Yvonne Carsey, 79 years old, born August 19, 1936, in Salt Lake City, Utah. Died peacefully on April 09, 2016 in West Jordan, Utah. She is preceded in death by her father and mother, Vaughn and Ellen Workman. As well as two of her 6 children, Glenda Kay Hardman Hurlbut and Steven Hurlbut. She has left behind a life full of memories of love, sadness, kindness, hope and family. Her smile and willingness to help a stranger or a cat will be missed. Karen is a very important person in many lives and we are very lucky to have her for so long. Although we feel like our time was altogether too short we know that she will never be alone and never again not be the strong willed, outspoken woman we remember her to be before she got sick.

Karen is survived by her sister Debra Butterfield, brothers Paul and Christopher Workman. Her daughter Diane Lorrie Johnson and sons Gary Hardman, Kent and Robert Hurlbut. As well as her grandchildren and great grandchildren.

Morgan Cruikshank (great grand child) wrote:

We will never forget

The way you sucked on lime Popsicles

Or watched Beaches all the time

Or how you loved The Price is Right

We will never forget

How you said what was on your mind

Without a worry

Of what we would think

We will never forget

The hardships you faced

And how you handled them

Or how you didn\t take things for granted

We will never forget

How you took care of us all

And kept us all in line

And even though I can\t really rhyme

You should know how we loved you.
