

Adele Kay Watts

July 7, 1951 ~ May 30, 2022

Adele Kay Watts passed away peacefully in the company of her best friend and caregiver, Stephanie on May 30, 2022. She will be missed greatly by her family, friends, and church congregation.

Adele was born July 7, 1951, to Eldon Fay and Madge Leona Watts (Hansen), the last of a brood of six children. She was raised in Willard Utah and graduated from Box Elder High School. She received her Bachelor's Degree from Weber University and went to work for the Utah State Health Department assisting in the regulation of Healthcare facilities, where she worked for more than forty years.

She was dedicated to serving others and manifested that service through kind words and other gifts throughout her life. She was a devout Christian, attending the Mount Olympus Presbyterian Church and serving in many capacities for that congregation, including as a Deacon.

Most important to her was her family. Though she had no children of her own, she gleamed with pride talking about and supporting any local nieces or nephews, and later great-nieces and nephews who were close enough to attend activities through school or church, bringing her friends and introducing them to her family with pride and love.

She loved animals, especially her cats. She always had one or two cats around until she was unable to take care of them in her later years. To hear her talk about them, one might think she was at times tired of them but that was just her way of expressing her appreciation for the company they provided her.

She is survived by her brother, Bob; her sister, Pat; her brother, Richard; and her sister Karen. She is also survived by many nieces and nephews, many more great-nieces and nephews, and even some great-great nieces and nephews. She was preceded in death by her parents and her sister, Leona, and a niece, Lisa.

Funeral services will be held June 9, 2022, at 11:00 am at Larkin Sunset Gardens, 1950 East Dimple Dell Road (10600 South), Sandy, Utah, with an interment to follow immediately thereafter.
