Michael John Straley

May 24, 1983 ~ February 9, 2018

A creative mind was lost when Michael John Straley Jr. died on February 9, 2018. The village that raised him have brokenhearts.

Michael was a true champion, full-time guardian and best friend to his three sons: Miles, Dillon and Evans, whose lives were intertwined in a way that will never bediminished. He loved and was loved, depended and was depended on by his mother Marilyn and his sister Emily.

Michael was a devoted and true friend to many, and the kind of man who would drop what he was doing at a moment's notice to help one in need. There wasn\t anything he couldn\t fix, and he was constantly inventing. He recently was working on beautiful lighted globes, which he hoped to manufacture with the help of local autistic people.

Preceded in death by his father Michael John Straley, Sr. and survived by his sons, mother, sister, his extended family and devoted friends.

Memorial service will be held at Old Mill Golf Club 6080 Wasatch Blvd.Holiday, UT at 10:00 AM on February 13, 2018.
