

Allen Brad Fisher

March 26, 1953 ~ November 20, 2024

Allen "Brad" Fisher passed away on November 20, 2024 due to a massive heart attack.

Brad left behind 2 brothers, Randy Fisher (Cheryl) and Mark Fisher and a beloved niece, Suzette Hicks.

Brad spent most of his working life in the home improvement sector. Due to his skills and work ethic, he was always busy.

Brother had a great love for the outdoors. In his down time you would find Brad on one of his boats, fishing pole in hand. "Fish feared him".

Brad was very intelligent, taking advance courses in high school. He was also a very good athlete, lettering in 3 different sports and earning a college football scholarship.

The last 3 years Brad lived in a full time care facility due to sudden paralysis from the chest down. Although Brad had his life turned upside down he remained upbeat.

Brad was an inspiration to all who knew him.

Rest in peace Brother.
