

Angel Louise Archuleta

May 3, 1989 ~ August 1, 2024

Angel Louise Archuleta was born May 3rd, 1989, in Salt Lake City Utah, to Vincent Archuleta and Peggy Luanne Dimond Archuleta. She was the youngest of four children. Angel passed away unexpectedly August 1st, 2024.

Her life revolved around the people she loved. Nobody was better to have around during hard times. And no one inserted more fun into everyday life. Angel's warmth and crazy sense of humor left an indelible mark on everyone she met. She was often a source of compassion for those who felt left out or alone. Angel loved nature and animals, like her favorite childhood Disney princess, Snow White. Animals gravitated to her as well, sensing her kind soul.

She will be buried in the cemetery she visited often with her children and the love of her life, Ronald Allan Johnson. They met when they were 16 years old, their love ultimately growing from a seed and blossoming into a family of four. Ronnie and Angel share two beautiful children, Noah Leroy Vincent Johnson , 13, Star Peggy Johnson, 8, and Lily, her Fur Baby Cat, who was Angel's best furry friend for the last 17 years. They would feed the deers and squirrels strawberries and peanut butter sandwiches. It was a magical experience to get to share with her, as she was incredibly private (and protective) about her favorite things in life. She expressed that outside energy could taint things that should be kept sacred. Angel was an amazing mother, raising her little family with patience, kindness, strong core values, and a lot of humor! Both Noah and Star share her wild sense of humor, and ability to laugh at life. And to be able to make those around them laugh, even if they didn't necessarily feel like it. She was an old soul, and an enlightened being in human form.

God often places his strongest warriors in dark scenarios. Angel was the light who bore love and compassion to those who needed it most. She lived a life to be proud of, one dedicated to things that truly matter. She will be forever in our hearts, and we will cherish every blessed memory we were privileged enough to get to share with her during her short time on this Earth.

She is survived by her mother, Peggy Luanne Dimond Archuleta, siblings, Vincent Joe Archuleta, Alisha Sunshine Archuleta, Chauncy Earl Archuleta, half brother Jeffrey Collett, and half sister Carolyn Dehererra. And her sister from another mother, Natasha Kay Holm, her soulmate friend who literally became a part of the family. Nephews, Brandon Jason, Jayden Dustin, Benjamin Stephen, and nieces Payton Elizabeth, Autumn Kay, and Ashley Jade. And so many more who she loved and adored.

She is preceded in death by her dad, Vincent Archuleta, her half brothers, Jody Dean Anderson, Joshua Collett, and Jason Collett. And all of of her grandparents, whom she shared unique and special bonds with.

Funeral services will be held August 14th, 2024 at 11 am, at Larkin Mortuary, 260 East, South Temple Street, Salt Lake City, Utah, 84111.
