

Angela Stott Schott

March 12, 1974 ~ July 13, 2022

Angela (Stott) Schott passed away peacefully on the evening of July 13, 2022, surrounded by her family and friends. Angela was born March 12, 1974 in Chico, CA to Dennis and Anita (Britton) Stott and was the 2nd oldest of 7 children.

Angela spent her early childhood in Duchesne, Utah until the family moved to Reno, NV where Angela graduated from Wooster High School. Angela then attended Rick's College in Idaho to earn a degree in Textiles which she used for her business as a wedding dress seamstress. She also worked in Interior Design, which she earned a degree for in 2002 from LDS Business College. Angela was a very gifted seamstress and in addition to making numerous beautiful wedding dresses, she made or altered numerous items throughout her life for others. Angela married her spouse, Shea Schott, on December 22nd, 1999. They enjoyed a very industrious and adventurous time throughout their marriage. They purchased their first home in 2003 and have spent every year since continually renovating it to make it the home they desired for themselves and their 4 children. They also have been very lucky to have made numerous close friends with whom a variety of adventurous outings and vacations were enjoyed to all parts of the world. Many of the greatest memories with Angela were made during these travels.

Angela is survived by 4 children- Britton (19), Matia (16), Skye (13), and Rowyn (9) whom she adored and to whom she devoted the great majority of her time and energy. Angela bequeathed to each of them a portion of her numerous talents in art, style and design, as well as her remarkable attributes of kindness, warmth, a generous sense of humor, compassion and selflessness. Angela was greatly appreciated by her children's schools, her friends and family, and many in her community for selflessly giving of her time in many endeavors. She was always generous with the skills she was blessed with. Angela was always regarded for her sense of style and for her always affable demeanor with others. One could not help but feel comfortable and welcomed around her. She had such a beautiful laugh and smile and everyone always complimented her on her beautiful bright blue eyes. We have physically lost her presence but will have a wealth of spiritual and emotional gifts from her for eternity. Angela was diagnosed with stage 4 cancer in March of this year. She fought with incredible courage and resilience through so much out of her deep desire to stay with Shea, their kids and her cherished family and friends. She showed her incredible strength and love through not just this trial, but through her entire precious life.

Angela is survived by her spouse, Shea, her children, her parents, and her siblings Colby, Amber (Dan), Tyler (Meghan), Ian (Lexi), and Krista (Rene). Preceded in death by her brother, Noel, and niece, Abby Stott.

A memorial service will be held for Angela on Saturday, Sept 3rd, 2022 at 10:00 am at Larkin Sunset Gardens, 1950 East Dimple Dell Rd (10600 S.), Sandy, Utah.
