

Ayden Esef Klebic

November 4, 2010 ~ December 13, 2023

Born on November 4th, 2010 to Linda Kouma and Sanel Klebic in Killeen, Texas, Ayden Klebic was loved by his family from the day he was born. The youngest and only baby boy in the whole family at the time, he was passed around from person to person all day long by his family who had to wait in line just to hold him.

Even when Ayden went to sleep, they waited for him to stand up in his crib in the mornings, so they could pick him up and love on him some more. Ayden loved his family, wanting nothing more than to make us all happy and keep us laughing. Looking back through the videos and pictures, we see a happy boy with that genuine beautiful smile.

It is this Ayden that will be remembered all the days of our lives. The playful nature, the smart, funny remarks, the intuition he displayed at such a young age, how good he was with the younger children, how active he was, especially loving the outdoors, skateboarding till dark, how much he loved to play hide and seek, the family events.

Ayden had so much charm the babies lit up whenever he came around, wanting nothing more than to just be near him. When finally he had to leave, all they wanted was to know when he would return. Now, when anyone asks when he will be back, we can tell them he won't ever leave again! No more waiting for family events or holidays to be with him. Now we can talk to him and be with him any time we want.

Ayden is survived by his parents Linda Kouma and Sanel Klebic; Grandparents Helene Melmer and Ana and Esef Klebic; Siblings Adrianna Klebic, Yasmene Klebic, Andrea Klebic, Aunts Kelly Kouma, Ange-Aimee Cuffee; Uncles Christian Kouma, Clinton Cuffee II; Cousins Nia Kouma, Zola Cuffee, Clinton Cuffee III aka Baby Brother and Kato Cuffee.

A Memorial Service and Celebration of Life will be held at 6:00 PM on Friday, December 22, 2023 at the Atla Canyon Baptist Church, 11190 South 1000 East Sandy, UT 84094.
