

Baby Amara Sia Swaray

March 23, 2023 ~ March 23, 2023

On December 9, 2022, Christelle learned that she was pregnant and excitedly informed her husband, Sar. They began to prepare and make plans to welcome their newborn baby in August 2023. Christelle hoped terribly that the baby would be a girl, and the thought of welcoming a new life into the world occupied their thoughts and plans for the upcoming summer. It was no secret that the baby was already loved by her two parents.

Baby Amara Sia Swaray, first of her name, daughter of Christelle and Sar.

Amara passed on March 23, 2023. Despite only knowing her for 19 weeks and 6 days, Amara had made a great impact on the lives of her family and close friends. She gave us a lifetime of love during her short visit on earth.

The world is full of imperfections, but Amara was not. She was perfect. She will be forever remembered and loved. Though her family is painfully saddened by the news her passing, they know that on March 23rd, heaven gained a beautiful, perfect angel who did nothing but fill hearts with excitement and joy.

Christelle and Sar are grateful to have been chosen to be Amara's parents. Their lives were touched by her presence and the knowledge that she will forever be part of their family.

Amara, you are loved. Rest easy baby girl.
