

Bonnie Rae Terkelson Bolduc

August 3, 1935 ~ September 26, 2022

Our loving mother, grandmother, sister, aunt, and friend left this earth on September 26, 2022 and the world lost a true angel. Bonnie Bolduc was born on August 3, 1935, in Sandy, UT to Henry and Florence Terkelson. She was the fifth of six children in their family. She graduated from West High School in June 1953.

After graduation, Bonnie and some friends began attending dances at the Wendover Air Base, where she met Phil Bolduc, one of the Airmen stationed there. Bonnie and Phil dated for several months, and they were married on June 6, 1958. Bonnie had four boys who were her reason for living every day to it's fullest. In July 1977, sadly, Bonnie was divorced from Phil and spent the rest of her life serving her boys and their families, and her mother (until she passed in 2001).

Bonnie worked for Mountain Bell/US West for 35 years, as a Planning Engineer. She retired in 1990 and moved to West Jordan in 1998. Bonnie was a devoted member of the Church of Jesus Christ of Latter-Day Saints. She served in many Church positions including Stake Missionary, Ward/Stake Special Interest Specialist (17 years), and Family History Missionary amongst others. Bonnie was an incredibly talented crafter and loved crocheting.

Bonnie raised her boys, literally around the corner from her mother. This was a great blessing for her boys and her, after her divorce. She lived in the Poplar Grove neighborhood of Salt Lake City for over 30 years. She also truly enjoyed her West Jordan neighborhood and made many friends there.

Mom was an amazing sports fan, when her boys were participating, she never missed a game. Even though she didn't understand football, she watched intently as Ben and Matt played. She participated as a Scorekeeper in baseball and Church Basketball when her boys played. She even kept score for one of her grandson's baseball games at 76 years old. She was also a huge fan of the Utah Jazz and BYU football.

Bonnie loved her children and thought that they were her greatest accomplishments. Of course, she was right! She loved her grandchildren too. Her face would light up whenever she was around her grand-children and great-grandchildren. She truly loved the family getting together, it was the happiest time of her life. Bonnie is survived by her children Chris (Trudy) of Huntsville, AL; Bob (Shirleen) of South Jordan; Ben (Nancy) of West Jordan; and Matt (Corinne) of Syracuse; her brother Van (Sue) Terkelson of Fruitland; her 15 grandchildren and 21 great-grandchildren. She is preceded in death by her father, mother, two brothers and two sisters.

The family wishes to acknowledge all of Bonnie's many friends. You were each incredibly special to her and she loved you so much!
