Robert Tyrone Terrell

August 3, 1947 ~ March 16, 2018

Ty, a loving companion, father, and papa, passed on March 16, 2018 in Jamestown, North Dakota at the age of 70.

He was a well-traveled man of hard work, diligence, and success leading numerous projects for multiple companies helping to build a better future for many communities all across America. During his travels he met his loving wife Lisa in Washington. They courted for seven years and eventually wed in Jamestown, North Dakota on June 26, 2015. One of Dad's passions was to hit the open road, especially in his '55 Chevy.

Often times he was headed for a car show and other times he was simply headed for adventure. He also enjoyed scuba diving, skydiving, being in the mountains, and a glass of ice cold water.

Grandpa always had a deep love for his family and would call often to check in, listen to us all, and offer heart felt advice and wisdom. The pride he expressed for his family gave them courage to press forward.

He was preceded in death by his parents, Bill and Jackie, and his son Dustin. He is survived by his spouse Lisa, children: Shaad (Stacy) Terrell, Dustin's wife and son Sarah and Tyler, Teneil (Brian) Watson, Teaguer (Gina) Terrell, step-children: Ashley, Brittney, and Zach, grandchildren: Kamee, Kolin, Kylee, Kecia, Kaage, Tyler, and Tauriel, step-grandchildren: Rhiley, Kinsley, and Amiyah, greatgrandchildren: Ryker, sisters: Terri Watson and Tina Knoy. One of Dad's comforts to his wife Lisa was a hug and telling her "We'll get through it."
