

Carlye Kimball

August 15, 1947 ~ March 17, 2022

Carlye Jane Kimball passed away on March 17, 2022, in West Jordan, UT. She was born on August 15, 1947, in Salt Lake City, UT to Harold and Jane Kimball.

Carlye was an equestrian, skier, and all-around sports enthusiast. She was accomplished in every sport she played. Of course, her first love was always her horses. She showed American Saddlebreds, Morgans, Arabians, Tennessee Walking Horses, Quarter Horses, and Thoroughbreds. She moved easily form Western classes to jumping classes. She was a force to be reckoned with when she entered the show ring. Many times, she soundly defeated professional trainers. Carlye was always willing to share her knowledge of horsemanship. Many a novice rider were grateful for her help and insight.

When MS ended her riding, she never lost her love of horses. Wherever she lived, she adorned the walls with photographs of her beloved horses and dogs.

Carlye was courageous to the end and was always determined to carry on. As a person, Carlye was very loving, special, and unique. She will be greatly missed by so many.

She is survived by her brother Andy Kimball. Preceded in death by her parents.
