Celia Aurora Colby

June 18, 2024 ~ January 17, 2025

Celia Aurora Colby (June 18th, 2024 - January 17th,2025), daughter of Neal English Colby & Courtney Dawn Laird passed away suddenly at home in a tragic accident.

Celia's bright, energized spirit sparkled with such joyful love, splashing smiles upon her brother Jack, her parents, her Papa Harvey, Grammie Devon, Aunt Emma & Uncle Carlton Colby, many visiting friends, neighbors and her fun kitties!

Celia's favorite place to be was outdoors, on Mommy's or Daddy's laps, in the stroller, on a blanket in the sunny shade, where the wind was tickling the leaves overhead and the birds were singing! Celia was fully engaged, with a deep connection to Nature. She had no concern nor fear of being caught outdoors once in a thundering rainstorm! Celia was illuminated and beautifully blessed by the rain.

A private viewing was held on January 21st at Larkin Sunset Gardens in Sandy, UT. Celia will be laid to rest outdoors on the lawn, under the trees, flowers, clouds & stars in "Babyland" at Larkin!

Her memory will always live on in our hearts.
