Charlotte was the proud daughter of a Navy Lieutenant Commander and was able to travel and live-in multiple states around the country and had many great experiences along the way. Upon her father's retirement from the Navy her family settled in Hooper Utah. Charlotte was the oldest of 4 children and she took pleasure in helping her mother take care of the family while her father was away on assignment overseas. Charlotte and David met at an LDS singles dance and were married just a few months after on November 11, 1977. Charlotte's love for children gave her an opportunity to work in childcare for over 40 years. Charlotte is still in contact with many of the children she cared for that are now adults with their own children that she also had the pleasure of caring for. Anytime she made a new friend she made that friendship last forever. Charlotte's passion was shopping and finding those unique gifts for her friends and family. She was a creative, fun, loving, and generous person who enjoyed swimming, dancing, crossword puzzles, and a good bargain. Charlotte loved family time, from Sunday bar be ques to camping trips, it was what she looked most forward to. Charlotte would do anything for anyone. She absolutely loved all the holidays and making memories with her family.

Charlotte was a cancer survivor, a fighter, and would not let anything keep her down.

Charlotte will be greatly missed by all the lives she has touched.
